CHALLENGE #1: GOAL

The goal of this website is to serve as a fan page dedicated to the artist **Clairo**, celebrating her contributions to music and the unique style she has brought to the bedroom pop genre. This website aims to provide visitors with a brief introduction to Clairo's background, highlight some of her most popular songs, and offer an interactive experience where fans can listen to her music directly. With a clean and visually appealing design, smooth navigation, and user-friendly functionality, the site seeks to engage both long-time fans and newcomers, fostering a deeper appreciation for Clairo's artistry and connecting people through her music.

The plan for this website is to create a simple and engaging fan page for Clairo that introduces her as an artist that shares her work, photos and provides a smooth and interactive user experience. The structure of the website has a header section that consists of a website title: "Clairo", Tagline: "Your Source for Everything Clairo", Navigation bar with links to the sections: "About", "Discography", "Music Videos", "Gallery", and "Contact". The About section that includes a biography of Clairo, her life and career, her early career, her album Diary 001 EP, her Immunity album, her album Sling, and lastly her latest album Charm. The discography section that highlights her albums. The music videos section that includes her popular songs. The song section that has the list of her 3 popular songs (Pretty Girl, Flamin' Hot Cheetos, and Sofia), each song will have a title, short description, and a play button for audio playback. A gallery section that highlights her jaw dropping photos. A contact section where you can send a message. Lastly, a footer section that has a closing note.
