Goals

My website will be designed to be fully responsive, ensuring seamless viewing across various devices. It will feature a modern and intuitive interface, prioritizing user experience. Furthermore, the website will be meticulously maintained to eliminate any dead links, guaranteeing a smooth and uninterrupted browsing experience.

Plan

My website will be a comprehensive online literary hub, dedicated to the world of books. It will feature a user-friendly interface with navigation bars leading to authors, genres, and publishers, etc. allowing visitors to effortlessly explore their literary interests. The website will also boast a meticulously curated book catalog, complete with detailed summaries, and captivating cover images. To ensure a seamless user experience, the website will be fully responsive, adapting to various screen sizes. Ultimately, this website will not only provide a wealth of literary information but also inspire a love of reading and foster a sense of community among book enthusiasts.
