

CHALLENGE #1

Name: Dionesio Campaner Jr.

Course & Section: 2 BSCS-A

My goals for my website are to help people embark on their journey through different wonders of the world and share captivating stories, photos, and videos from travels to inspire others, Offer practical travel tips, guides, and itineraries for different destinations. I also want people to be comfortable using it with their mobile phones and PCs so I have to make it responsive enough for different devices. The layout and design will be intuitive and mobile-friendly.

Establishing myself as a trusted authority or influencer in the travel niche
