Title of Website

Harvest Moon: Friends of Mineral Town

URL of GitHub Repository

https://github.com/MEDevx/IntroToComputing-FinalWebsite.git

Description

      This website serves as a dedicated showcase for the retro farming game *Harvest Moon: Friends of Mineral Town*. It features various sections such as Home, Gameplay, Bachelorettes, Rivals, About, and Contact, designed to provide an in-depth look into the game's mechanics, characters, and overall experience. The website is built with a focus on responsive design, ensuring optimal viewing across a range of devices, including both desktop and mobile platforms.
