Title of Website: Hachie's Cafe

Url of the Github Repo: https://github.com/norjhachie/IntroToComputing Website-Project.git

Brief Description: I create a coffee website. Here are some key elements you'll find on my coffee website:

✓ <u>Homepage:</u> Featuring mouthwatering visuals of our coffee.
✓ <u>About Us:</u> Share your story, your passion for coffee or tea, and what makes your cafe unique.
✓ <u>Menu:</u> A clear and concise listing of your coffee drinks we offer. High-quality photos are essential.
✓ <u>Reviews:</u> Some reviews a customer said about coffee services and business.
✓ <u>Contact:</u> Provide multiple ways for customers to reach them, including
✓ phone number, email address, and our social media platforms.
