My Goal for My Manhwa and Webtoon Recommendations Website

My website is focused on providing a straightforward and user-friendly platform for manhwa and webtoon enthusiasts, featuring essential information about each title.

Goals:

1. **Title and Synopsis for Every Title**: My website will include the title and a concise synopsis for every manhwa and webtoon featured, allowing users to quickly grasp the essence of each story.

2. **Simple Navigation**: The website will have an intuitive layout that makes it easy for users to browse through titles and find what interests them.

3. **User -Friendly Design**: The website will be designed to be visually appealing and easy to navigate, ensuring a pleasant user experience.

Plans:

Website Structure and Navigation:

- **Header and Navigation**:

    - A clean header with a navigation bar, including links to Home, Recommendations, and Contact.

    - A simple layout that prioritizes ease of use.

Recommendations Section:

- A straightforward layout displaying manhwa and webtoon titles, each accompanied by a brief synopsis.

User -Friendly Design:

- A visually appealing design with a focus on readability and accessibility.

- Responsive design to ensure the website looks great on both desktop and mobile devices.

By implementing this plan, my manhwa and webtoon recommendations website will provide users with essential information in a clear and concise manner, making it easy for them to discover new titles and enjoy their reading experience.
